Greetings from IC Bus and Brattain Bus Sales! With the start of the school year, we want to share some news with all of our school bus partners around the country.

First of all, we have some friendly recommendations from one of our senior field service engineers on making sure your buses are really ready to roll with the start of school. Next, you'll find more insights on bus maintenance in preparation for the new school year from two customers who oversee school bus operations in Canada and Florida. Also, we have an update on a school district in Ohio that just received six new hybrid IC Bus™ brand buses. You first heard about this school district, and how IC Bus helped them get the funding to buy the six new hybrid buses, back in our January/February eNews and we'll give you the follow-up to that story.

IC Bus is driven to be your partner for all of your school bus needs and we hope this eNews helps make a difference.

THE STUDENTS ARE COMING! THE STUDENTS ARE COMING! ARE YOUR BUSES READY?

The new school year is upon us, so IC Bus wants to help make sure your buses are ready and raring to go. To do this, one of IC Bus' senior field service engineers, Bob

Ford, recommends giving your fleet a thorough maintenance .. **To read the entire article go to:**

MORE VALUABLE TIPS FOR A SMOOTH START TO THE SCHOOL YEAR

What do a transportation director and maintenance manager have in common? They both have experienced the difference IC Bus makes in helping them ensure

their buses are fully operational and ready to safely roll on the first day of the school year. **To read the entire article go to:**

THEY'RE HEEEEERE! NEW HYBRID SCHOOL BUSES ARRIVE IN COLUMBUS

Seeing new faces is part of the fun of the start of a new school year. But the six shiny new faces seen coming and going from Columbus City Schools aren't students, they're brand new hybrid

electric buses made by IC Bus. The six.. **To read the entire article go to:**
