Pricing covers most truck and engine combinations, 2007 engine oil requirements (CJ-4), original build level lube, fuel and water filters as stated per level of service and does not include local environmental fees, applicable taxes, crankcase ventilation filters, optional external filters, brake, clutch and belt adjustments, air filter or any mechanical repair. See your Performance PM dealer for complete details. An additional charge may apply for winter blend oil or synthetic oil. "B" level service includes annual DOT inspection. Pricing levels subject to change without notice. *Includes all model years from 2007 to prior. **Includes 2010 emission levels. OEM installed centrifuge filters are not included on any "Medium" Level Engines.
